

BEFORE YOU COACH, MOJOCOACH.

Have you ever felt dismayed as your clients or team members struggle to reach their goals, are unable to sustain behavior change, or fall back into old habits? The underlying cause of most coaching challenges is your client's suboptimal motivation. That's why we developed an approach to coaching rooted in motivation science.

With a solid foundation of optimal motivation, your clients are primed and ready for your brilliant coaching to achieve their goals, transform behaviors, sustain high performance, and thrive, at the same time.

Will you join us for the MojoCoach Coaching rEvolution Qualification?

MojoCoach's unique blend of online learning, live facilitated virtual sessions, and AI-supported qualification process sets it apart from any other coaching certification program.

Don't miss out on this extraordinary opportunity to enhance your coaching skills and facilitate real change in your clients' lives.

MojoCoach rEvolution Qualifications include

SPARK YOUR MOTIVATION™ ONLINE LEARNING EXPERIENCE

Your MojoCoach journey begins with our online SPARK experience—a primer for applying current motivation science in Qual 1 & Qual 2.

You are introduced to a profound idea: Motivation is a skill. You will

- Explore three evidence-based psychological needs
- Identify your motivational outlook from the Spectrum of Motivation on a selected goal
- Practice shifting from suboptimal to optimal motivation to generate vitality and sustained high-performance

Become a
mojocoach™

QUAL 1: SPARK THE CONVERSATION QUALIFICATION

With a potent combination of online learning and live facilitated virtual sessions, you will

- Debrief your SPARK experience while gaining invaluable insight into how traditional and outdated motivation theories can undermine your coaching success.
- Qualify to offer SPARK to your clients and debrief their experience using your *SPARK the Conversation Coach's Notes*.
- Complete the innovative *Motivation Matters™ for You* assessment and debrief the robust report to learn about your work-related motivation.

The focus for Qual 1 is you. By investigating your own motivation and deepening your understanding of motivation science, you'll be prepared to shift the focus to your client's experience in Qual 2.

QUAL 2: MOTIVATION MATTERS™ FOR YOU QUALIFICATION

How do you integrate the MojoCoach approach into your coaching or HR protocol? Our science-based, empirically sound, valid, and reliable Motivation Matters™ for You (MM4U) assessment presents an extraordinary coaching opportunity. In Qual 2, you will

- Administer MM4U with up to six friends, family members, team members, or clients to practice debriefing their detailed report.
- Provide your client or team member with invaluable insight into the quality of their motivation, enabling you to tailor your coaching approach for maximum effect.
- Develop the skill to debrief the Motivation Matters™ for You report through our MojoCoach AI-supported qualification process
- Facilitate your client's understanding of the optimal motivation they need to achieve their goals and flourish simultaneously
